M: Why don't we take him out? We can take him to the party and have a drink. Or we can invite him to the gym for exercise.

W: That's a good idea. Why don't you call him? I have already talked to him a couple of times and it might be good for you to call him.

W: And then I told her she should take her study more seriously, or she'd end up being nobody.

M: Well, I know what you mean, but what you said is too much for her. You know her dream is to be an artist.

W: I know. Maybe she is too busy to do her homework.

W: That's great! Who else is invited?

M: I've invited my neighbor Pierre and his two sisters. He is old and lives alone. He's from France. His sisters will come to visit him next Saturday. They're stopping by after a two-week trip to Mexico.

W: I don't think I've met them but sounds like an enjoyable afternoon. I'd like to bring something.

M: That's not necessary. I've prepared all the things.

W: I'm sure that's true but I still would like to contribute.

M: All right then. How about some biscuits?

W: That's too ordinary. How about some French desserts?

M: Well, I'm making a strawberry cake. Don't you think there will be too many desserts?

W: Well, I think you can never have too many desserts, and I'm sure your neighbours will like them.

M: You're right. They'll be glad to have some desserts from their home country here in Canada.

W: Well, then it's settled. I'll pass by the bakery on my way over that day. I look forward to meeting your neighbors on Sunday.

Text 10

A new football competition, Man v Fat, has been organized recently in England. Judging from the name, it is easy to guess that players can only join if they are fat. They can only win when they score or lose pounds after each game. So, the aim of this competition is to get fat men off their couch to do regular exercise.

Several football teams have already joined, such as Beer Bellies United, XL Legends, etc.

Jay Ali, a bank manager, found it a great idea. He said, "I don't want to play football with my friends who are all fitter than me. And I don't want to go to weight loss classes in which almost all participants are women. Here, no one judges you so you don't have to be embarrassed." Mr. Shanahan from England shared the same opinion. "What we really need is a supportive talk with each other."

It seems that this football competition has offered fat men a good way to lose weight.
