Mobile phone has become a problem for middle schools. Some middle school in China have banned(禁止) students from carrying mobile phones during school hours.

Mobile phone use among children has become a problem for schools. most children have got mobile phones from parents and friends as birthday gifts, and more students even have the newest type of mobile phones.

Mr Wang, an expert, said mobile phone use was a distraction(分心的事)to students during the school hours. Teachers were also saying that sometimes students might use phone messages to cheat during exams to get better grades.

He said some schools had tried to ban mobile phones. Some parents felt unhappy because they couldn't call up their children.

Many teachers said students shouldn't have mobiles at school, but if there was a good reason, they could leave their phones at school office.

Many people say that they understand why parents would want their children to have phones, but they think schools should let the students know when they can use their mobile phones.

任务型阅读(本题共 5 小题,每题 2 分,共 10 分)

News is always important and necessary in our life. In our daily life, people can read news in much more ways like reading newspapers, listening to the radio, watching TV, surfing the Internet or looking through the websites on their smartphones. Even the members in the same family read news in different ways. Two weeks ago, Super Media did a survey on different families about ways of getting news in Beijing, Taiyuan and Xi'an. About 600 families from these cities took part in the survey. It shows that a large number of teenagers like to get news in the fastest way—using the smartphones while most grandparents would like to watch news on TV. They believe they can get more credible(可信的)news in this way than surfing the Internet. You can learn more from the following charts.

Chart I: Percentages of people getting news in different ways

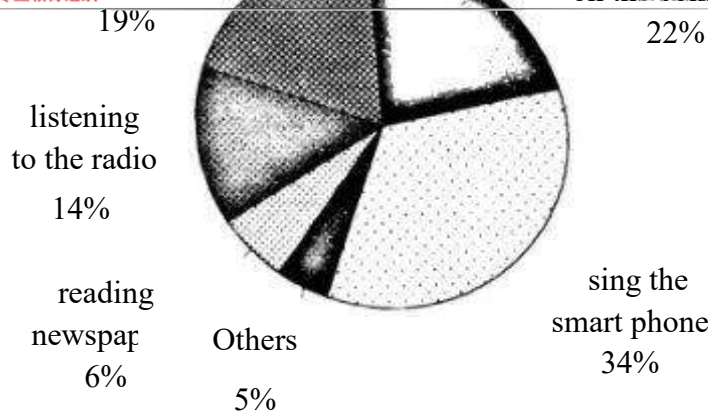

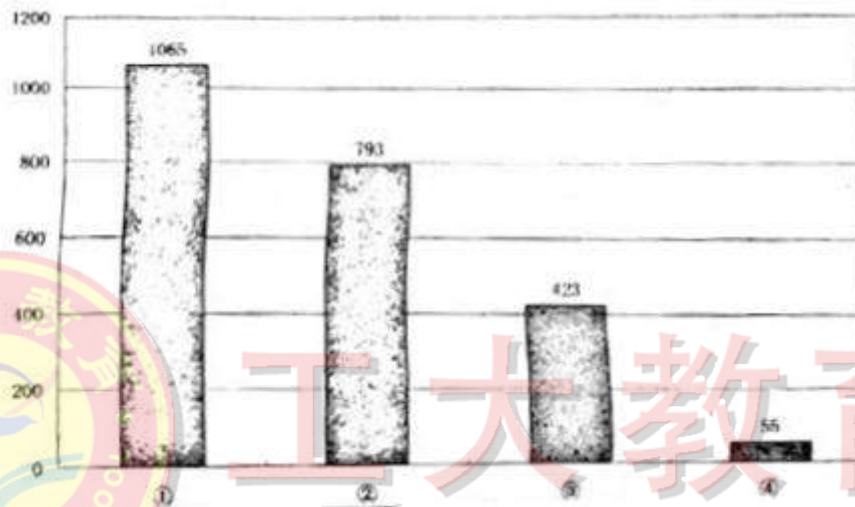

Chart II: Numbers of the grandparents who like to get news on TV and the reasons

Reasons:

1. be used to watching news on TV regularly(定期)
2. be able to "meet" their favorite hosts
3. have fewer problems than using the computer
4. enjoy the relaxing time while watching TV

46. Who likes to get news by using the smartphones according to the survey?

47. According to Chart I, how many ways can people get news?

48. According to Chart I, what percent of people get news by using the internet in total(总共)?

49. According to Chart I, how many grandparents like to watch news on

TV regularly?

49. How do you get news in your daily life? Why?

46. 【答案】 Teenagers.

【解析】题目关键词为 using smartphones , 可以回文定位到第七行, It shows that a large number teenagers like to get news in the fastest way-using the smartphones.

47. 【答案】 6.

【解析】图一为扇形统计图, 其中有六个板块, 所以图一中人们获得信息的方式有六种。

48. 【答案】 56 percent.

【解析】题干意思为, 有多少人通过网络获取信息。在图中的六个方式中, 电脑上网和用智能手机都属于通过网络获取信息, 即 $22\%+34\%=56\%$

49. 【答案】 1065.

【解析】题干意思为, 通过图二有多少老年人经常通过电脑获取信息, 关键词为 regularly 翻译为定期地, 有规律地。所以答案为第一项人数 1065

50. 【答案】 I usually get news by using smartphones in my daily life because it is very convenient.

【解析】只要写出一种方式, 并用 because 回答原因即可。
