The typhoon should arrive at about 6:00 early in the morning. Please get prepared for it: board up your windows and make sure they are fastened; tie your boats tightly. All ship timetables will be canceled. If you are planning to leave, try to get out of town quickly before 3 am. For those of you staying in town, stay indoors and out of your cars. After the typhoon dies down, the communication company will be out repairing the cables as well as the signal tower. Don't touch any wires on the ground. If your internet and electricity go out, please be patient. Focus on our TV news for more information.
