One Possible Version:

Dear John,

I am sorry to hear that you caught a cold last week. Have you got any better these days? Have you seen a doctor yet? You must have felt terrible with a runny nose and sometimes a headache.

A cold is a common illness, but luckily there are things we can do to prevent ourselves from getting it. Taking exercise regularly is a good way to stay away from it. So is washing your hands more often. Besides, it is better to check the weather before you go out so that you can dress accordingly.

Hopefully, you can get better soon. And keep me informed of your physical conditions.

Yours,

Li Hua
