Dear Max,

Like all   27  , we want you to grow up in a world better than ours today.

Although headlines often focus on what's   28  , in many ways the world is getting better. Health is   29  . Poverty is shrinking. Knowledge is growing. People are connecting.

We will try our   30   to make the world a better place, not only because we love you, but also because we believe all children have the   31   to be loved and cared about.
